OUR PROFILE

Company Overview

Rasiyat Marine Agency SARL is a Djibouti-based marine and shipping agency providing dependable, professional port and cargo-handling support to vessel owners, charterers, and trading houses.

Positioned at the gateway to the Bab-el-Mandeb Strait, Rasiyat acts as a trusted local representative for shipping lines and cargo interests, coordinating vessel calls, discharge operations, and port formalities with accuracy and speed.

From the moment a vessel is nominated to the moment cargo clears the port gate, our team stays hands-on - tracking each call closely and keeping owners, charterers, and consignees informed at every step.

WHAT WE STAND FOR

Local Expertise

Deep knowledge of Djibouti port operations and procedures.

Reliability

Consistent, accountable service on every vessel call.

Client Focus

Responsive communication from first contact to completion.

Strategic Location

Direct access to GCC and East/Horn of Africa trade lanes.

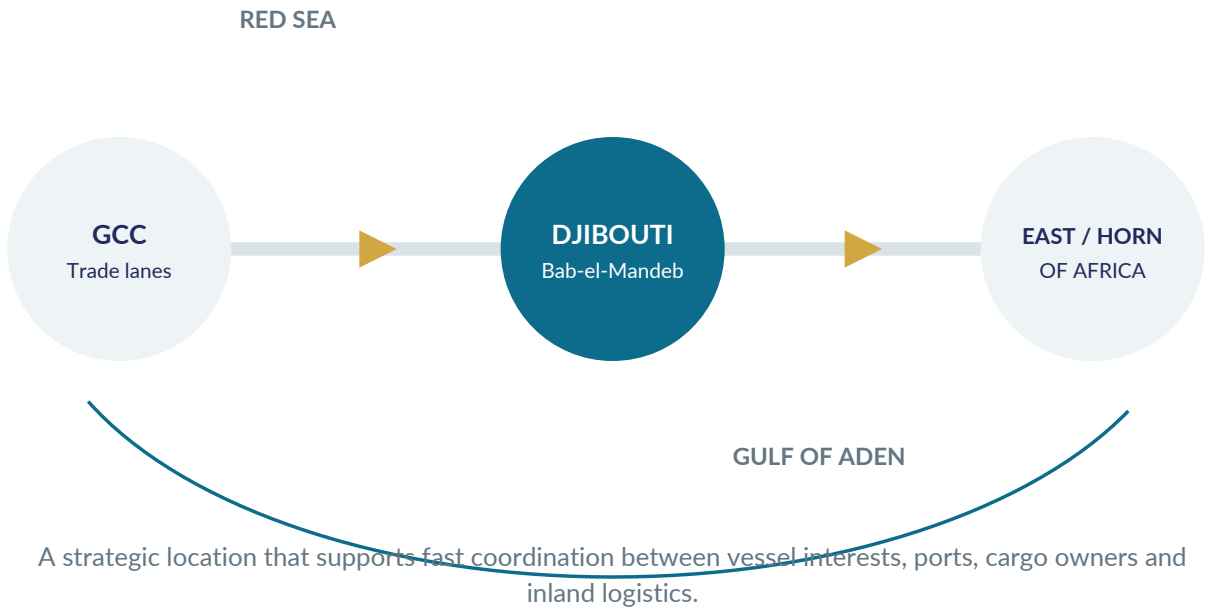

STRATEGIC LOCATION

Gateway to the Bab-el-Mandeb

Djibouti sits at a key maritime gateway connecting the Red Sea and Gulf of Aden, with direct reach into GCC and East/Horn of Africa trade lanes.

LOCAL PRESENCE • REGIONAL REACH

MARITIME CORRIDOR

A strategic location that supports fast coordination between vessel interests, ports, cargo owners and inland logistics.

WHAT WE DO

Shipping & Vessel Agency

Full-cycle agency support for vessel calls in Djibouti - from representation and husbandry to crew support, discharge coordination and Owners' Protective Agency services.

01

Full Vessel Agency Representation

Local representation and coordination throughout the vessel call.

02

Husbandry Services

Practical support required by vessels while in port.

03

Crew Change & Transfers

Coordination of crew movements and transfer arrangements.

04

Owners' Protective Agency (OPA)

Independent local support for owners and their operational interests.

05

Port & Discharge Coordination

Close coordination with port stakeholders during arrival, berth and discharge.

06

RoRo, Tanker & Bulk Cargo Handling

Agency and operational support across multiple vessel and cargo types.

INTEGRATED SUPPORT

Cargo, Freight & Logistics

Our logistics services extend the vessel call beyond the berth, supporting cargo movement, clearance, warehousing, documentation and inland transport.

01

Sea, Air & Road Freight Forwarding

Freight coordination across sea, air and road transport modes.

02

Customs Clearance

Support with cargo clearance processes and related documentation.

03

Cargo Discharge Supervision

Operational oversight and coordination during cargo discharge.

04

Warehousing Services

Warehouse support for cargo after discharge and before onward movement.

05

Documentation & Port Formalities

Preparation and coordination of port and cargo documentation.

06

Transport & Equipment Hire

Support for onward transport and operational equipment requirements.

SPECTRUM OF SERVICES

Vessel & Cargo Capabilities

Our agency and discharge teams are set up to work across the full range of vessel calls we see in Djibouti.

Bulk Carriers

Dry bulk and bagged cargo

General & Container

General and containerized cargo

Project Cargo

Non-standard and project shipments

RoRo Vessels

Rolling cargo and vehicle operations

Tankers

Tanker agency coordination

ONE LOCAL TEAM. MULTIPLE VESSEL TYPES. ONE STANDARD OF SERVICE.

Agency representation, port coordination, cargo supervision, documentation and onward logistics are brought together under one operational structure.

BEYOND THE BERTH

From Nomination to File Closure

Once cargo is alongside, our role continues on land. We track discharge tallies against ship's figures, prepare the paperwork consignees need to move goods out of the port, and stay in direct contact with the shipping line until the vessel's file is closed.

01

Nomination

Pre-arrival details and local coordination.

02

Port Coordination

Formalities, operational planning and readiness.

03

Berthing & Boarding

Arrival support and vessel attendance.

04

Cargo Operations

Discharge supervision and operational follow-up.

05

Docs & Clearance

Tallies, port documents and consignee support.

06

Completion

Final documents, account follow-up and file closure.

ONE TEAM FOLLOWS THE SHIPMENT START TO FINISH

Clear handover, continuous follow-up, consistent communication.
